DOUBLE DEGREE

IN BUILDING ENGINEERING AND ARCHITECTURE

ACADEMIC YEARS 2019/2020 – 2020/2021

STUDENT'S SELECTION

1. The University of Pavia and the Tongji University of Shanghai have a Double Degree Course in English, for the Master Degree Course in Building Engineering and Architecture (class LM-4 c.u.).

2. The admission of maximum **10 Italian** candidates will be established by a Commission, who will analyse the academic titles and conduct a proper interview. The evaluation criteria will be based on the curriculum of study, English knowledge, and student's motivation. The judgment of the Commission is unchallengeable.

3. Students need to deliver the application form and the attached documents by e-mail to doubledegree.iea@unipv.it AND roberto.delotto@unipv.it. The application must be composed by the following documents:

- a) copy of academic transcript with marks;
- b) a curriculum vitae with main appointments;
- c) Self-certification of English proficiency;
- d) Application form in pdf format (request by email at the address: doubledegree.iea@unipv.it)

4. Only complete requests with all required documents will be accepted until **14.00 of the 30th of July 2019**.

The admission interview date is fixed on **30th of July 2019, 15.00 in the meeting room in G floor**.

For students that cannot be in University, there is the possibility to have a Skype interview (inform the commission at the time of requests, by mail).

5. The admission interview will be based on the following selection criteria:

- Academic record with related marks;
- Personal motivation;
- English language.

6. For any information, students can send an e-mail to doubledegree.iea@unipv.it or roberto.delotto@unipv.it.
