DOUBLE DEGREE

IN BUILDING ENGINEERING AND ARCHITECTURE

ACADEMIC YEARS 2023/2024 - 2024/2025

STUDENTS SELECTION

1. The University of Pavia and the Tongji University of Shanghai (<https://caup.tongji.edu.cn/caupen/main.htm>) provide a Double Degree Course in English, which is reserved to the Master Degree Course in Building Engineering and Architecture (class LM-4 c.u.).

2. The admission of candidates will be established by a Commission, who will analyze the academic titles and conduct a proper interview. The evaluation criteria will be based on the academic transcripts, curriculum vitae, English knowledge, and student's motivation. The judgment of the Commission is unchallengeable.

3. Students (**III year**) need to deliver the application form and the attached documents by e-mail to doubledegree.iea@unipv.it, roberto.delotto@unipv.it and caterina.pietra@unipv.it. The application must contain the following documents:

- Copy of academic transcript with marks (*statino*);
- A curriculum vitae with main achievements;
- Self-certification of English proficiency or official English certification;
- Application form in pdf format (please request it by email: doubledegree.iea@unipv.it)

4. Only complete requests with all required documents will be accepted until **14.00 of the 15th May 2023**.

The admission interview date is fixed on **22nd May 2023 at 14:30** (the place will be later notified).

5. The admission interview will be based on the following selection criteria:

- Academic record with related marks;
- Personal motivation;
- English language.

6. For any further information, students can send an e-mail to: doubledegree.iea@unipv.it.
